

Parents - we hope your summer has been filled with fun so far. We are planning and preparing for another awesome year at OGCS and are so glad you will be joining us for the 2017-2018 school year. We have a few activities planned for our students and teachers so they can become acquainted with each other. We hope to see you at these activities.

Please see the supply list on the back of this page and bring your supplies with you to orientation on Tuesday, August 29th (see details below)! We will have the student's weekly folders prepared and will pass them out at orientation to those parents who bring in supplies. You must bring in your child's supplies in order to receive their folder. Thank you for your help with this!
