

Parent Volunteer Information and Interest Form

Dear Families of OGCS Students,

We have many needs and opportunities for our families to use their God given talents to help our school! We are a small school that would like to keep tuition low, so volunteers are extremely important. We all have busy lives, but we have many areas and times for volunteering.

Pick what suits your schedule best! We ask that each family volunteer for 20 hours (10 for part time students). Please check all the activities your family will help with. When it is time for that event, someone will be in touch with you. You will earn 1 hour for every hour worked. We will have a sign in and out sheet when you come to an event.

We appreciate all that you will do for our school! If every family helps out, the load will be distributed out and no one will feel overburdened.

Our biggest needs are (each of these will take several volunteer hours!) Please place a check by the events you are willing to help with. If you are willing to co-ordinate, place a star beside the item.
